MG Motor Fiji offers this information as a general guide to product specifications. All data is believed to be correct as at June 2022; however as product development is an ongoing process, changes may occur from time to time which may not be necessarily reflected herein. Therefore, MG Motor Fiji reserves the right to change specifications without notice. Accordingly, this information should not be regarded as an infallible guide to correct specifications, nor does it constitute an offer for sale of any particular vehicle. Whilst all care has been taken to provide you with information in regards to the general use of MG products, you should not rely solely on the information provided in this specification sheet. Dealers are not agents of MG Motor Fiji and have absolutely no authority to bind MG Motor Fiji by an express or implied undertaking or representation. *Fuel consumption results are based on NEDC's standard test procedure to provide customers with a basis for comparison of the performance of vehicles in accordance with ADR 81/02 only. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption will vary due to factors such as traffic conditions, vehicle conditions and load, fuel quality and how the vehicle is driven. *3 years or 100,000 kms, whichever comes first. Warranty terms, conditions and exclusions at www.mgmotor.com.fj/warranty. More information at www.greenvehicleguide.gov.au. *Colours in this brochure may vary to those on the vehicle. Updated June 2022.
